

108 Medical Hydrotherapy

Hydrotherapy sessions take place at University College Hospital (UCH). The hydrotherapy pool is located in the basement of the hospital. Enter the hospital through the main entrance and take the elevator or stairs to the basement level. Follow the signs for 'Therapies and Rehabilitation'. Once inside the Therapies Unit, the pool is to the left. There is no need to check in at the reception desk. Make your way straight to the pool and go inside. Your therapist will be waiting for you by the pool.

You will need to bring your own swimwear. Towels are provided by UCH, however you can bring your own.

If you are unable to make your appointment or are running late, please call 02075631234 to let us know as soon as you can.
